

Sliding Fee Discount Program

What is this program?

At HEALS, we want everyone to get the care they need. Our Discount Health Services Program lowers the cost of your visit based on your family's income and household size. Some people may pay very little or even nothing.

How is my discount determined?

We use a rule set by the U.S. government to determine your discount. We consider two factors:

- How much does your family earn per year
- How many people live in your household

How can I apply?

Fill out a short form and show us proof of your income. Proof can be a pay stub, a W-2 form, or a letter from a government program. Not sure what to bring? Ask us!

When should I pay?

Payment is due on the day of your visit. If you are unable to pay that day, we will work with you to set up a payment plan.

No one will be turned away because they can't pay. Ask our reception team; We will be happy to help you, also in other languages.
