Dear Parent or Guardian,

Welcome to HEALS, INC! We are happy your child is joining our clinic. HEALS, INC helps kids stay healthy so they can do well in school. We have doctors, dentists, and eye doctors who take care of children right at their school. We are not the school nurse—we are your child's doctor's office at school.

Locations and Services:

- **Medical Care:** Martin Luther King Elementary, Morris Elementary, Sonnie Hereford Elementary, and Madison Cross Roads Elementary
- **Dental Care:** Martin Luther King Jr. Elementary, Madison Cross Roads Elementary, and Madison County Elementary
- **Eye Care:** Madison Cross Roads Elementary and Morris Elementary
- **Mobile Medical Unit-**Medical and dental services throughout Madison County

Who Can Join

If your child is 0-18 years old and has Medicaid, AllKids, or no insurance, they can join. You will need to fill out a form and give permission before we can provide care.

What We Do

- Checkups, immunizations and sick visits
- Teeth cleaning and cavity repair
- Eye exams and glasses

Affordable Care for All

At HEALS, we believe everyone should be able to see a doctor, dentist, or eye doctor—regardless of income, insurance status or background. We use a special program called the **Sliding Fee Discount Program** to help with costs. This program considers how many people live in your home and your family's income. If your income is low, you may pay less-or nothing at all-for your visit.

No one will be turned away because they cannot pay. This program is for everyone, even if you don't have insurance, to make sure your child receives the care they need.

We believe that **healthy children learn better**, and we're honored to partner with you on your child's health journey.

We look forward to caring for you,

The HEALS Family
